11/06/18 (Dr. Gregory Mallo)	<p>Thank you for sharing Dr. Warner.</p> <p>I'm not sure everyone's experience with the system but I have used Biomet VRS (vault reconstruction) in cases with severe bone loss.</p> <p>It's expensive but worked very well.</p>

This must be very expensive and I wonder as to published results?</p> <p>Best, JP Warner, MD</p>
